| 2   |    | Owl's House sides                            |              |
| 1   |    | Owl's House floor                            |              |
| 1   |   | Owl's House roof (slight overhang for perch) |              |
| 1   |    | Owl's House back                             |              |
| 1   |    | Owl's House front arch                       |              |
| 2   |   | Owl's House front arch supports              |              |
| 1   |   | Owl's House front lintel                     |              |
| 2   |   | Owl's House perch supports                   |              |
| 1   |   | Owl's House perch                            |              |
| 24  |  | Small Screws                                 |              |
| 2   |   | Medium Screws                                |              |
| 4   |   | Large Screws                                 |              |

You will need:

| Qty | Description                                  |
|-----|--|
| 1   | Wood glue                                    |
| 1   | Cordless/Electric Screw Driver               |
| 1   | Rag for cleaning glue mistakes               |
| 1   | Bottle of Linseed oil                        |
| 1   | Paintbrush                                   |
| 1   | Bottle of Turpentine for cleaning paintbrush |

# Step-by-Step Eagle Owl's House Assembly Instructions

|    |   |  |
|----|---|--|
| 1. |    | <ul style="list-style-type: none"> <li>• Ensure all Owl's House parts have been received. Refer to the above list</li> </ul>   |
| 2. |    | <ul style="list-style-type: none"> <li>• Spread glue on either sides of the floor/base of the Owl's House following the pre-drilled screw holes.</li> <li>• Put floor/base aside.</li> <li>• Place the sides of the Owl's House in front of you in an upright position.</li> <li>• Place the floor/base on top. (you might need an extra pair of hands)</li> </ul>   |
| 3. |   | <p>Right Hand Side</p> <ul style="list-style-type: none"> <li>• Using one hand, square up any corner of the floor/base with a side of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Go to the top pre-drilled screw hole. Square up the floor/base with the side of the Owl's House.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Complete the row.</li> </ul> |
| 4. |  | <p>Left Hand Side</p> <ul style="list-style-type: none"> <li>• Using one hand, square up any corner of the floor/base with a side of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Go to the top pre-drilled screw hole. Square up the floor/base with the side of the Owl's House.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Complete the row.</li> </ul>  |

## Step-by-Step Eagle Owl's House Assembly Instructions

|    |   |  |
|----|---|--|
| 5. |    | <ul style="list-style-type: none"> <li>• Turn the structure onto its floor/base.</li> <li>• Apply glue along both sides. (The glue seals and is an extra measure of building a secure Owl's House.)</li> </ul>   |
| 6. |    | <ul style="list-style-type: none"> <li>• Place the roof with overhang on top of the glued sides.</li> </ul>  |
| 7. |   | <p><b>Right Hand Side</b></p> <ul style="list-style-type: none"> <li>• Using one hand, square up any corner of the roof with a side of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Go to the top pre-drilled screw hole. Square up the roof with the side of the Owl's House. (Be aware that the front of the Owl's House roof has a slight overhang.)</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Complete the row.</li> </ul> |
| 8. |  | <p><b>Left Hand Side</b></p> <ul style="list-style-type: none"> <li>• Using one hand, square up any corner of the roof with a side of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Go to the top pre-drilled screw hole. Square up the roof with the side of the Owl's House. (Be aware that the front of the Owl's House roof has a slight overhang.)</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Complete the row.</li> </ul>  |

## Step-by-Step Eagle Owl's House Assembly Instructions

|     |   |   |
|-----|---|---|
| 9.  |    | <ul style="list-style-type: none"> <li>• Take the back part of the Owl's House.</li> <li>• Apply glue along all the pre-drilled screw holes.</li> </ul>   |
| 10. |    | <p><b>The back end pulls the entire Owl's House square.</b></p> <ul style="list-style-type: none"> <li>• Using one hand, square up any corner of the back with a side of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Drive screws home and fix in place along all sides.</li> </ul>          |
| 11. |   | <ul style="list-style-type: none"> <li>• Turn the Owl's House with the open front end facing you.</li> </ul>  |
| 12. |  | <ul style="list-style-type: none"> <li>• Select the arch and apply glue along pre-drilled screw holes.</li> <li>• Be aware not to apply glue at the bottom end of arch, only on along the pre-drilled holes.</li> </ul>   |
| 13. |  | <ul style="list-style-type: none"> <li>• Position arch below the roof overhang.</li> <li>• Using one hand, square up any corner of the arch with a side and roof of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Drive screws home in all pre-drilled screw holes along all sides.</li> </ul> |

## Step-by-Step Eagle Owl's House Assembly Instructions

|     |   |   |
|-----|---|---|
| 14. |    | <ul style="list-style-type: none"> <li>• Select the front lintel and apply glue along the pre-drilled screw holes.</li> </ul>   |
| 15. |    | <ul style="list-style-type: none"> <li>• Place the front lintel at the bottom, aligning with both sides and bottom/base of the Owl's House</li> <li>• Using one hand, square up any corner of the lintel with a side and bottom/base of the Owl's House to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Drive screws home in all pre-drilled screw holes.</li> </ul> |
| 16. |    | <ul style="list-style-type: none"> <li>• Select the first arch support and apply glue along the pre-drilled screw holes.</li> </ul>   |
| 17. |   | <ul style="list-style-type: none"> <li>• Place the arch support between the arch and bottom lintel along the side of the Owl's House.</li> <li>• Using one hand, square up to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Drive screws home in all pre-drilled screw holes.</li> </ul> <p><b>Repeat steps 16 &amp; 17 to the opposite side's arch support.</b></p>  |
| 18. |  | <p><b>USE 4X large screws for both perch supports to fix on Owl's House</b></p> <ul style="list-style-type: none"> <li>• Select both perch supports.</li> <li>• Apply glue to the first perch support.</li> </ul>   |

## Step-by-Step Eagle Owl's House Assembly Instructions

|     |   |   |
|-----|---|---|
| 19. |    | <ul style="list-style-type: none"> <li>• Position the perch support on the bottom, outside of the Owl's House.</li> <li>• Using one hand, square up to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Drive screws home in all pre-drilled screw holes.</li> </ul> <p><b>NOTE: Do not repeat on other side until perch pole is in place!</b></p>             |
| 20. |    | <ul style="list-style-type: none"> <li>• Select the perch pole.</li> <li>• With a twist motion, push the perch pole into the perch support hole.</li> <li>• Ensure that it protrudes from the outside edge of the perch support.</li> </ul>   |
| 21. |   | <ul style="list-style-type: none"> <li>• Select opposite arch support and apply glue along the pre-drilled screw holes.</li> <li>• Position the perch support on the bottom, outside of the Owl's House.</li> <li>• Using one hand, square up to ensure it is flush.</li> <li>• Place small screw in pre-drilled corner hole. Hold the squared corner firm and using the opposite hand with the Cordless/Electric Screw Driver, drive in the screw until fixed.</li> <li>• Drive screws home in all pre-drilled screw holes.</li> </ul> |
| 22. |  | <ul style="list-style-type: none"> <li>• Turn the Owl's House onto its back end with the bottom facing you.</li> <li>• There are small pre-drilled holes at the bottom end of the perch support in line with the perch pole.</li> </ul>   |
| 23. |  | <p><b>USE 2X medium screws for both perch supports to fix on Owl's House</b></p> <ul style="list-style-type: none"> <li>• Select your screw and drill it to ensure the perch will not move.</li> <li>• Repeat on the opposite side.</li> </ul>  |
| 24. |  | <p><b>CONGRATULATIONS on assembling your first Owl's House!</b><br/>We know you will have lots of pleasure from it!</p> <p>Before positioning, apply 2 or 3 coats of linseed oil.</p>   |
